Alexandria, VA

Dear Sir:

In response to the Advisory Action dated January 18, 2006, refusing to enter the previous amendment on the ground that the amendment "required new consideration and search", place the application in condition for allowance by amending it as follows (claim markings assume the prior amendment is nugatory because it was not entered). The allowability of Claims 4 and 5 have been indicated previously by the examiner.

Respectfully submitted,

John L. Rogitz
